

3rd AEMC International Chamber Music Competition RULES

Art. 1. The Associazione Europea di Musica e Comunicazione (AEMC), based in Montecassiano, Italy, organizes the 3rd AEMC INTERNATIONAL CHAMBER MUSIC COMPETITION.

Art. 2. The objective of the competition is to promote chamber music and foster networks between musicians and music organizers.

Art. 3. Musicians of all nationalities may take part, in all ensemble formations (max. 8 players). Singers/accompanists are eligible to participate. There is no age limit.

Art. 4. The competition consists of a single round, on the basis of which the Jury will choose the winners.

Art. 5. The prizes consist of 1st Prize (400€ + one opportunity to perform, either live in Italy or at an online event, depending on the evolution of the COVID-19 pandemic), 2nd Prize (200€) and 3rd Prize (100€).

Art. 6. Participants apply by submitting, along with their application, the link to a video uploaded by the registered candidates on YouTube. On the basis of these videos, the Jury will decide the winners of the three prizes. The results will be communicated to the applicants by e-mail and will also be published on the competition's website.

Art. 7. The repertoire is free. The video, of min. 15 minutes and max. 30 minutes, needs not be of professional quality, should preferably be a one sequence shot, and must have been filmed and uploaded on Youtube (it can be an unlisted video) after March 1, 2020. The video must not be connected to the contestants' participation in another competition, like a semifinal for instance; it can be a live performance in concert.

Art. 8. The competition results will be announced by March 31, 2021. The decision of the Jury is final and incontestable.

Art. 9. With their registration, the candidates agree to all rules and regulations of the competition. Furthermore, with their registration, participants authorize the Associazione Europea di Musica e Comunicazione to use all photo, video and audio material of the competition at its discretion.

Art. 10. Registration Deadline: February 28th, 2021. The registration fee is 40€ (per person). Until November 30th, 2020, a reduced fee of 30€ (per person) is applied. The registration fee is nonrefundable, unless the competition is not held due to an insufficient number of applications. The number of minimum applications is 20. This is a not-for-profit initiative, with the sole goal of fostering and encouraging chamber music, particularly in these difficult times for the performing arts: the participation fees are used entirely for the cash prizes, the organization of the award concert and the honorarium of the Jury. The Jury commits to reviewing the videos in full and with the highest attention and dedication.
